

# Blackfriars Primary School Handbook

# Welcome to Blackfriars Primary School!

I would like to welcome you and your child to Blackfriars Primary School. This handbook contains a range of information that you might find helpful. Please do not hesitate to contact the school or check the school website if you need more information.

I hope that this handbook gives you a glimpse of life at Blackfriars Primary School. We look forward to having you and your child work with us and hope that this will be the start of a strong partnership.

At Blackfriars Primary we aim to offer excellent non-denominational education that meets the needs of your child as an individual. Co-operation and respect for others is fostered in a school with a rich diversity of cultures, backgrounds and talents. We aim to provide a high-quality service and wish to work in close partnership with you in preparing your child to be a successful learner, responsible citizen, confident individual and effective contributor.

We communicate with parents and carers through Seesaw and you will be given details of this when your child enrols with us.

We also communicate through our website: <a href="http://www.blackfriars-pri.glasgow.sch.uk">http://www.blackfriars-pri.glasgow.sch.uk</a>

We can also send paper copies of information home with children if you do not have access to the internet so, don't worry, you won't miss out!

From time to time, we will send out letters from other agencies (e.g. NHS Scotland) which may contain your home address and child's date of birth. If you do not wish this to go home in your child's school bag, but would rather collect it from the school office, please let the office know.

Ms Laura Crossan

Headteacher

# Blackfriars Primary School Vision, Values and Aims

#### **VISION**:

"Our school is nurturing and inclusive. Every child feels happy, healthy and safe. We work together to be the best we can be."

Blackfriars Primary Pupil Leadership Team June 2025

# **VALUES:**

<b>Honest</b>	<b>Caring</b> Carl	Respectful	Inclusive	Achieving
Omar		Rebecca	Israa	Amarah
.9		3	i.	8

We encourage pupils to show our school values in everything they do. We ask parents and our school community to support us in demonstrating these values.

#### AIMS:

Our school aims to:

- 1. Help every child succeed in literacy and numeracy, in a nurturing school.
- 2. Work with families to support learning at home.
- 3. Promote health, kindness and outdoor learning.
- 4. Build independence, creativity and life skills.
- 5. Celebrate diversity and caring for our world.
- 6. Listen to our whole school community.
- 7. Support learners of English to feel included and thrive.
- 8. Put children's rights at the heart of all we do.

# **Pupil Absence**

Within Blackfriars Primary School good attendance is encouraged at all times and children rewarded accordingly. Parents are asked to advise if their son or daughter is going to be absent. This should be done as early as possible on the first day of absence. If the young person is going to be absent for some time, it would be helpful to know at the earliest opportunity. The school uses daily text messaging to inform

parents and carers of absence if no contact is made. All unexplained absences are investigated by the school and appropriate action taken. All calls must be made to the Pupil Absence Reporting Line on 0141 287 0039. The line is open between 08.00-15.30 Monday to Friday. Alternatively, you can use the online form on the Glasgow

City Council website:

https://www.glasgow.gov.uk/pupilabsence

# **Medical & Healthcare**

The school nursing team visits at various times during the year for routine health checks, vaccinations and medical examinations. Parents are kept informed by letter which will be sent home in your child's bag. This may contain your child's address and date of birth. If you do not wish this information to go home in a bag, and would rather collect it from the school office, please let the office know and we will arrange this for you.

If a child becomes ill during the course of the school day, he/she may require to be sent home. Please ensure that you keep the school informed of all contact details.

Parents should inform the school of any medical requirements relating to their child. If a child requires medication during the school day, parents must complete the appropriate medical form. This is available on request from the school office.

#### **Emergencies**

We make every effort to maintain a full educational service, but on some occasions, circumstances arise which lead to disruption. Schools may be affected by, for example, severe weather, temporary interruption of transport, power failures or difficulties of fuel supply.

In such cases, we shall do all we can to let you know about the details of our closure or re-opening by using letters, texts and the local media etc.

#### **School Uniform**

The school uniform is:

- White shirt/polo shirt
- School tie
- Dark grey trousers/ school skirt
- Blue fleece/sweatshirt or cardigan

- Tartan pinafore/school skirt
- We would encourage matching colours for tights/socks/hijab

Sweatshirts, cardigans, polo shirts and ties with the school logo are available for purchase from BE Uniforms Glasgow, 35 Argyll St, Glasgow G2 8AH (Located in St. Enoch Centre) or online at <a href="https://www.border-embroideries.co.uk">www.border-embroideries.co.uk</a>

Our uniform was agreed in consultation with pupils and parents. It is expected that all children attending Blackfriars Primary School will adhere to this dress code.

#### **PE Kit**

It is important that pupils come prepared to learn and for PE this requires appropriate clothing. All jewellery should be removed. Pupils who are not participating in PE must have a note or a medical certificate. Pupils who are unable to participate in practical PE should still bring their kit to allow them to assist in the lesson by refereeing, keeping scores or assisting with the distribution of equipment. This ensures that they are still able to take part in some way in the work of the class and do not miss out on the knowledge and understanding of the course.

There are forms of dress that are unacceptable in school, such as items of clothing which:

- Potentially encourage factions (such as football colours)
- Could cause offence (such as anti-religious symbolism or political slogans)
- Could cause health and safety difficulties (such as loose-fitting clothing, jewellery)
- Could cause damage to flooring
- Carry advertising particularly for alcohol or tobacco
- Could be used to inflict damage on other pupils

# **Clothing & Footwear Grants**

Parents/Carers receiving Income Support, Job Seekers Allowance (Income Based), Working Tax Credit (check link below for thresholds), Housing Benefit, Council Tax Benefit or Universal Credit (check link below for thresholds) will normally be entitled to monetary grants for footwear and clothing for their children. Information and application forms may be obtained from schools and at <a href="https://www.glasgow.gov.uk/article/4272/Apply-for-Grants-and-Allowances">https://www.glasgow.gov.uk/article/4272/Apply-for-Grants-and-Allowances</a>

#### **School meals**

Our school provides a lunch service which offers a variety of meals and snacks. Medical diets for children can be provided.

Children who prefer to bring packed lunches will be accommodated in the dining hall alongside their peers who choose a school meal.

All children in P1-6 are entitled to a free school meal. However, this does not entitle them to a free breakfast. To receive a free breakfast, you must meet the criteria below and apply accordingly.

If you plan to send your child/children to breakfast club, you should inform the staff of any medical dietary requirements.

Children and young people of parents/carers receiving Income Support, income-based Job Seekers Allowance, Working Tax Credit (check link below for thresholds), Child Tax Credit only (check link below for thresholds), Universal Credit (check link below for thresholds) and income-related Employment and Support Allowance are entitled to a free midday meal. Information and application forms for free school meals may be obtained at

https://www.glasgow.gov.uk/article/4272/Apply-for-Grants-and-Allowances

# **Transport**

The education authority has a policy of providing free transport to all pupils who live outwith a certain radius from their local school by the recognised shortest walking route. This means that the provision of transport could be reviewed at any time. Parents/Carers who consider they are eligible can apply online at <a href="https://www.glasgow.gov.uk/article/2493/Free-School-Transport-for-Catchment-School">https://www.glasgow.gov.uk/article/2493/Free-School-Transport-for-Catchment-School</a>

# **Transfer from Primary to Secondary School**

Children and young people normally transfer between the ages of  $11 \frac{1}{2}$  and  $12 \frac{1}{2}$ , so that they will have the opportunity to complete at least 4 years of secondary education. Parents and carers will be informed of the school arrangements no later than December of P7. Children from our school normally transfer to:

# Shawlands Academy

31 Moss-Side Rd, Shawlands, Glasgow G41 3TR

Phone: 0141 582 0210

Email: headteacher@shawlandsacademy.glasgow.sch.uk

www.shawlandsacademy.glasgow.sch.uk

Shawlands Academy staff work with our pupils from Primary 6 onward to prepare them for the transfer to secondary school.

# **Communication with Parents**

At Blackfriars Primary we are committed to working in partnership with parents and carers and look at different ways to fully involve you in your child's education. We use a variety of ways to keep in touch.

*Open Door Policy*: The Senior Leadership Team are available to all parents and carers at any time providing they are not teaching or in a meeting. Please either come into the school office or phone for an appointment.

Class Seesaw App – Each class teacher will let parents know what homework has been set and is also used to communicate between the class teacher and parents.

*Newsletters* – These are sent out by the Head Teacher on a regular basis to keep parents informed about the work of the school. They are also displayed on our outdoor noticeboards. These are located outside the school office, and outside the school gate.

Termly Curricular Information: At the start of each term you will receive a seesaw update about the learning your child will be undertaking in the coming term. This has information about CORE curricular areas, key dates for your diary and also celebrates any achievements of children in the class. These are also available on the school website.

*Letters* – further information which requires a response may be sent out in letter form.

School website/Twitter/App – Our school website contains a great deal of information about the school. It is a good idea to check this regularly.

*Text messaging* – You may also receive text reminders about events/school closures etc.

*Meet The Teacher*: This popular event is held after school at the start of Term 1. At this informal event you will be introduced to your child's class teacher, find out about learning and how you can help your child at home.

Parents as Partners – We have a parent group who represent each class in the school. They meet regularly with the Head Teacher and discuss upcoming events, contribute to school improvement and volunteer to help our children have positive experiences throughout the school year. We are always keen for new members to join this group.

Information Evenings and Training Events: Throughout the year we hold training events and information evenings. We decide which events are most useful to parents and carers by looking at the feedback you provide in surveys and the priorities on our School Improvement Plan.

Class Assemblies: You will be invited to your child's class assembly at some point during the session.

*Blackfriars Blether*: This is an informal chat opportunity from 9-9.30am before each class assembly. The Senior Leadership Team invite you in for a hot drink and snack.

Interpreters are available on request in advance of meetings. Likewise, large print or Braille copies of important documents can be arranged with advance warning. Two

members of staff can communicate in BSL (Basic Sign Language) and we also have staff who can speak Urdu, Punjabi, Hindi, Scottish Gaelic and French.

We have 46 languages spoken in our school and we celebrate each language with a "Language of the Month" focus. Help us to celebrate your language!

Parents and carers are welcome at other events throughout the school year e.g. workshops, information evenings, class performances, religious and other assemblies. The school newsletter and website will keep you informed.

An annual Parent Calendar of events is also issued in Term 1 to help you keep a note of the important dates relating to your child.

# **Emergency Contact Information**

At the start of each school session, parents will be issued with the annual data check form. This is shared via ParentPortal, an online app which gives parents access to important documents as well as providing links to ParentPay and other useful sites.

It is also important that you let us know if there are changes to your telephone number(s) or to those of your emergency contacts throughout the year. This can be updated easily via the ParentPortal site.

# Data Protection – use of information about children and parents/carers

We collect information about children attending school (and also about parents/carers, emergency contacts etc. provided in the annual data check) to allow us to carry out the Council's functions as the education authority for the City of Glasgow. This may sometimes involve releasing personal information to other agencies and other parts of the Council, particularly in relation to child protection issues or criminal investigations, and it may also be used for research purposes (see the link below for more details regarding this).

Information held by the school is, in legal terms, processed by Glasgow City Council. The Council is registered as a data controller under the Data Protection Act 2018 and all personal data is treated as confidential and used only in accordance with the Data Protection Act, the General Data Protection Regulations, and the Information Use and Privacy Policy approved by the City Council. For more information on how we use personal information, or to see a copy of the Information Use and Privacy Policy, see <a href="https://www.glasgow.gov.uk/privacy">https://www.glasgow.gov.uk/privacy</a>

Education specific privacy statements can be accessed at <a href="https://www.glasgow.gov.uk/search?q=education+privacy+statement">https://www.glasgow.gov.uk/search?q=education+privacy+statement</a>

# **Appointments during school hours**

If your child has an unavoidable appointment, please give them a letter for their class teacher and then collect them from the school office at the specified time.

# **Comments & Complaints**

In Blackfriars Primary School we aim to have positive relationships across our school community. However, if you have a comment or complaint about any aspect of school life, please contact the Headteacher in the first instance.

Glasgow City Council complaints procedures are available: <a href="https://www.glasgow.gov.uk/complaints">https://www.glasgow.gov.uk/complaints</a>

#### Curriculum

#### **Curriculum for Excellence 3-18**

Curriculum for Excellence has been introduced to raise standards of learning and teaching for all 3 to 18 year olds. It aims to help prepare children and young people with the knowledge and skills they need in a fast changing world. As part of Curriculum for Excellence all children from pre-school to the end of S3 will receive a rounded education known as a Broad General Education(BGE). Curriculum for Excellence is all about bringing real life into the classroom and taking lessons beyond it.

Through the experiences we provide at Blackfriars Primary School we want our children to become Successful Learners, Confident Individuals, Responsible Citizens and Effective Contributors. We are committed to providing children with a broad general education and focus on eight curriculum areas.

Expressive Arts	Health & Wellbeing	Languages	Mathematics
Religious & Moral	Sciences	Social Studies	Technologies

Progress in learning is indicated through curriculum levels as detailed below.

Level	Stage
Early	The pre-school years and P1 or later
First	To the end of P4, but earlier or later for some
Second	To the end of P7, but earlier or later for some
Third & Fourth	S1-S3, but earlier for some

Expressive arts: The inspiration and power of the arts play a vital role in enabling our children and young people to enhance their creative talent and develop their artistic skills.

Health and wellbeing: Learning in health and wellbeing ensures that children and young people develop the knowledge, understanding and skills which they need now and in the future to help them with their physical, emotional and social wellbeing.

Science: Science and its practical application in healthcare and industry is central to our economic future, for our health and wellbeing as individuals and as a society.

Social Studies: Through social studies, children and young people develop their understanding of the world by learning about other people and places both past and present, societies, their beliefs and values.

Religious and moral education: Religious and moral education includes learning about Christianity, Islam and other world religions, and supports the development of beliefs and values.

Languages: Knowing other languages and understanding other cultures is a 21st century skill set for students as they prepare to live and work in a global society.

Mathematics: Mathematics equips us with the skills we need to interpret and analyse information, simplify and solve problems, assess risk and make informed decisions.

Technologies: The range of subjects in technical education has changed significantly over the last two decades and now includes craft, design, engineering and graphics.

There will be opportunities throughout the year for parents and carers to learn more about aspects of the curriculum and to be consulted about significant changes if appropriate.

# **Religious Observance**

Our school is fortunate to have a close link with the local church. The minister assists with the Christianity element of Religious and Moral Education and provides opportunities for religious observance. Parents have the right to withdraw their child from religious observance and should inform the school in writing.

In addition, parents and carers from religions other than Christianity may request that their children may be permitted to be absent from school in order to celebrate recognised religious events. Only written requests detailing the proposed

arrangements will be considered. Appropriate requests will be granted on up to 3 occasions in any 1 school session.

# **Assessment & Reporting**

All children are assessed both formally and informally throughout the year. This allows children and their teachers to identify their strengths and areas for improvement. A variety of assessment methods are used to enable staff to pass on information to parents about the progress of their child. Assessment records are kept by the class teacher and form the basis of discussion at Parents' Evenings in November and April. An annual report is sent to parents towards the end of each school year.

If you have any concerns about your child's progress do not hesitate to contact the school.

# **Support for Pupils**

The school has a duty to ensure that all pupils have equal access to the curriculum, with appropriate support for their needs if required. This applies to the content of lessons, teaching strategies and minor adaptations to the school environment. There are a wide range of factors which may act as a barrier to learning. We are committed to working closely with parents and carers to ensure that they are fully involved in any decisions about support for their children's needs.

Any parent or carer seeking further advice regarding this policy should contact the Headteacher in the first instance.

Further information relating to additional support needs is available on the Glasgow City Council website at https://www.glasgow.gov.uk/asl

Information on the Glasgow City Councils' Parental Involvement Strategy can also be found at <a href="https://www.glasgow.gov.uk/article/5518/Parental-Involvement">https://www.glasgow.gov.uk/article/5518/Parental-Involvement</a>

# **Nurturing City**

The Glasgow City Council vision 'towards the nurturing city', puts building positive, trusting relationships at the core of our work. We ensure children, young people and families feel they belong, they are listened to and they are valued by embedding the principles of nurture across our early years, primary and secondary establishments. Staff are trained in attachment and nurture which deepens understanding of child development and enhances effective practice by responding to the needs of all children and young people in a consistent and caring way. Nurture is a universal approach which builds resilience, helping to reduce the impact of adversity. Effective communication and collaboration with parents and carers builds an ethos of partnership working putting the child at the centre, fostering high quality learning contexts.

Each of our nurturing establishments contribute to the development of Glasgow as a nurturing city, creating safe environments which allow our children and young people to flourish by raising attainment and promoting positive mental health and wellbeing.

# **School Improvement**

On an annual basis, you will receive a copy of our Standards and Quality report. Copies from previous years are available on the school website. The Standards and Quality report highlights progress in key curricular areas such as literacy, numeracy and health & wellbeing. Our priorities for improvement are detailed in our School Improvement Plan which is discussed with our Parent Council. Any parent or carer seeking a copy of the plan can contact the school office or check out our website.

# **Promoting Positive Behaviour**

Children's Rights as outlined in the UNCRC (United Nations Convention on the Rights of the Child) are fundamental to a good school ethos. Adults in our school will work with children to ensure they are aware of their rights and fully respect the rights of others. Therefore, the approach within Glasgow Primary School is to build a positive ethos that demonstrates care and respect for all. Positive behaviour is recognised and celebrated. Our school operates a system of class charters to set out expected behaviour. This is celebrated through Values folders, awards at assemblies and certificates sent home to parents etc.

The highest standards of behaviour are expected of pupils at all times. Where this is not the case, a variety of options are explored. Parents are asked to co-operate with the school in encouraging a sense of responsibility and good behaviour in their children.

#### **Child Protection**

All educational establishments and services must take positive steps to help children protect themselves by ensuring that programmes of health and personal safety are central to the curriculum and should have in place a curriculum that ensures that children have a clear understanding of the difference between appropriate and inappropriate behaviour on the part of another person, no matter who.

As with other areas of the curriculum, you will be kept informed of the health and wellbeing programme for your child's establishment.

Educational establishments and services must create and maintain a positive ethos and climate which actively promotes child welfare and a safe environment by:

- ensuring that children are respected and listened to
- ensuring that programmes of health and wellbeing are central to the curriculum

- ensuring that staff are aware of child protection issues and procedures
- establishing and maintaining close working relationships and arrangements with all other agencies to make sure that professionals collaborate effectively in protecting children.

The name of the Child Protection Coordinator and depute Child Protection Coordinator are on display throughout the school building.

# **Home Learning**

Continuing to learn at home helps children to achieve more and is a vital part of our partnership with parents. Please check your child's schoolbag for communication about home learning and specific tasks, as well as accessing the information on Seesaw.

#### **Parent Council**

We have an active Parent Council that represents the views of all parents. All parents are welcome to attend Parent Council meetings and can become members at the AGM in September. Parent Council minutes are available on the Parent Council page of the school website and on request from the school office. Our meetings are held twice per term; one face-to-face at the end of the school day, and one online later in the evening. Times of these meetings and joining instructions are shared in the Head Teacher newsletter.

#### **Extra Curricular Activities**

We have a wide range of activities that run between Monday – Thursday to extend the learning experience. Please check your child's schoolbag for information as places are popular and usually limited.

Good links with community organisations and our Active Schools Co-ordinator are vital for the success of these programmes.

#### **Pupil Leadership Team**

Our Pupil Leadership is made up of 2 representatives from each year group. This is an important group that ensures the views of pupils are heard.

#### **ECO Council and JRSO**

These pupil groups provide further leadership opportunities for our children. Fortnightly "Time to Talk" sessions ensure Pupil Voice is heard around a range of subjects.

#### **Useful Contacts**

Parentzone Scotland is a unique website for parents and carers in Scotland, from early years to beyond school. The website provides up-to-date information about learning in Scotland, and practical advice and ideas to support children's learning at home in literacy, numeracy, health and wellbeing and science. Information is also available on Parentzone Scotland regarding additional support needs, how parents can get involved in their child's school and education. Furthermore, the website has details about schools including performance data for school leavers from S4-S6; and links to the national, and local authority and school level data on the achievement of Curriculum for Excellence levels.
