have said they will provide transport
Day 3 transition day - 10th June
P7 Parent Evening at Shawlands - 7th Oct

Rights Respecting Schools Award

We have achieved Bronze and are now embarking on our Silver Journey. The Equalities Pupil Group have worked hard to plan our next steps. We will keep you informed of our journey and hope to get you involved. On Wednesday 16th September, The Equalities Group ran a successful event for the learning community.

Guidance from Police Scotland on the Dangers of E-scooters

"E-scooters are not permitted on public roads, pavements or other public spaces, as they do not meet the necessary legal standards. Their use is only legal on private land with the landowner's consent. Anyone found riding a non-compliant e-bike or e-scooter on a public road will likely have it seized by officers and removed to a contractor's yard, with a significant cost to the owner. Additionally, using vehicles that do not meet legal requirements poses a serious safety risk, increasing the likelihood of injuries to both riders and other road users, particularly pedestrians."
We ask that parents/carers keep this in mind. E-scooters are not allowed in school grounds and will not be stored in the bike shed.

House Colours Day & Macmillan Coffee Morning Event

This Thursday will be our first House Colours Day of this session. Pupils can come along in their house colour and we are hoping to get group photos taken so that everyone knows who is in their house! 😊
Cakes will also be on sale for 50p and **all donations go to support Macmillan Cancer Support.**
